

BARLOW RESPIRATORY HOSPITAL at PIH Health Hospital Whittier

NOTICE OF SERVICES SUSPENSION

12401 Washington Blvd, Whittier, CA 90602

Effective July 1, 2026, Barlow Respiratory Hospital will no longer provide inpatient or outpatient services at its satellite facility located at 12401 Washington Blvd, 2nd Floor, Whittier, CA 90602. Barlow Respiratory Hospital plans to put all 26 inpatient beds in suspense as of July 1, 2026 and will no longer be providing long term acute care hospital services at this location.

Barlow Respiratory Hospital's main facility at 2000 Stadium Way and its other satellite location at 15107 Vanowen Street are not affected by this development and will continue normal operations under the existing consolidated license.

Barlow anticipates a probable decrease of 30 personnel as a result of the services suspension of this satellite location.

Beyond the other Barlow Respiratory Hospital sites, the three nearest available comparable service providers offering long term acute care hospital services to Medicare and Medi-Cal patients in the community include the following:

Kindred Hospital – LA Mirada

Kindred Hospital – Baldwin Park

Kindred Hospital- Brea
