About Barlow Respiratory Hospital: Barlow Respiratory Hospital is the only not-for-profit respiratory hospital in Los Angeles and is recognized for excellence in treating medically complex patients dependent on a ventilator to breathe. Barlow is a long-term acute care hospital (LTACH) founded in 1902 and serves patients referred by nearly 100 regional hospitals and Intensive Care Units (ICUs). **Barlow Respiratory Hospital has been awarded the Gold Seal of Approval® for Disease-Specific Care Certification for Respiratory Failure and for Wound Care by the Joint Commission** for providing safe and effective patient care. Barlow is the FIRST healthcare organization in California to achieve these certifications, awarded after a rigorous on-site review and compliance evaluation of care standards and clinical practice and performance measures. The Hospital has also been selected as the **ONLY Center of Excellence** in the Western Unites States for the Passy Muir speaking valve, recognized for treating patients with tracheostomies, on and off the ventilator. barlowhospital.org 213-202-6832
